"Congratulations to the Denton Chapter on a job well done! That was among the very best Managers Meetings I have attended. You deserve a word of thanks."

LTC L. Reed Dillon, Fair Oaks Ranch, Texas

"What a great Board of Managers Meeting. The Denton Chapter were the consummate hosts. Their friendly, helpful nature put everyone at ease and added to the well run meeting. The dinner was excellent and the entertainment was outstanding. The evening went by all too quickly."

Thomas M. Green, TXSSAR Genealogist

"Great meeting, ... WELL DONE, DENTON!"

"Please tell the members of the Denton Chapter that they are a difficult act to follow. In fact we have to go back to our planning committee and revise our program to come up to the level of the August Meeting."

Bill Marrs, Chairman of the November '96, Board of Managers Meeting Committee.

These remarks and many others like them have come in from all over the State. The ladies enjoyed the tour of TWU and referred to it as their "Celebration of Woman." (Continued)

My thanks to all of you who participated to make the Board of Managers Meeting a success. Special Thanks to our newest member, Glenn Conrad; he even got a note of recognition in the Blaine C. Wilhoite, Sr. (Irving) Chapter Newsletter. Thanks also to Tom Cain, Bill Vaughn, the Doctors Johnson, and of course Richard Fletcher, who received the Meritorious Service Medal from TXSSAR for his work in establishing the Denton Chapter. Last, but far from least, Thanks to Maryanne Haughton. She served as hostess for the chapter, leading the ladies tour, creating the table centerpieces, and finally hosting the Ladies Breakfast. Her contribution to the success of the meeting was immeasurable. Thank you from all of us, Maryanne.

"Voices of the Revolution"

When Benjamin Franklin was informed by Lord Granville that, "the king is the Legislator of the Colonies" Franklin replied as follows:

"I told his Lordship that this was new doctrine to me. I had always understood from our charters that our laws were to be made by our Assemblies to be presented indeed to the king for his royal assent, but that being once given the king could not appeal or alter them. and as the Assemblies could not make permanent laws without his assent, so neither could he make a law for them without theirs..."
