**Subject: Celebrating New Beginnings and
Our Nation's Milestones in 2026**

Dear SAR Members and Friends,

I hope this message finds you well and that you all had a joyous holiday season filled with warmth, laughter, and memories with loved ones. As we step into 2026, let us carry forward the spirit of togetherness and gratitude that the holidays inspire, embracing the opportunities and challenges that lie ahead.

This year, we stand on the brink of a remarkable milestone: the 250th anniversary of the United States of America. This celebration is not just a reflection of our nation's history, but a reaffirmation of the ideals that unite us as a people. One of the pivotal works that helped ignite the flame of independence was Thomas Paine's "Common Sense," published January 10, 1776. This powerful pamphlet resonated deeply with the American colonists, becoming a bestseller and a catalyst for revolutionary thought.

Paine's compelling arguments for self-governance and liberty encapsulated three fundamental ideas that con-

tinue to inspire us today. First, he boldly asserted that government should serve the people, not the other way around. Second, he emphasized the importance of unity among the colonies, urging them to come together against tyranny. Finally, Paine articulated the vision of a new nation built on the principles of freedom and equality, a dream that would shape the future of our country.

As we celebrate this significant anniversary later this year, let us reflect on these ideals and honor the legacy of those who fought for our freedoms. Together, we can ensure that the spirit of independence and the pursuit of justice continue to thrive in our hearts and actions.

Wishing you all a prosperous and inspiring new year!
Warm regards,

Abe Abdmoulaie, President
Piney Woods #51 SAR Chapter

Our SAR Family

We would like to thank all of the members and their wives and our friends that attend our Christmas Lunch get-together this year. We had 34 seated for lunch and everyone was enjoying smoked ham and all of the dishes brought in for lunch, it was very good, really more than I could eat. Those that could not make it this year missed a good time and a great Christmas Music performance by the Kingwood Madrigals. One of the singer was wearing a newly made Victorian Era dress

Christmas Day 2025 is past and the first day of 2026 is here.

Piney Woods Chapter #51 Business Notes
PineyWoods Annual Christmas Lunch and Meeting
The Stevens' Home, Kingwood

The Stevens's home was decorated with Christmas trees, Santas, and Nutcrackers and each table with Christmas arrangements and place settings.

1992

The three main Christmas Trees, in the entry hall, the formal dining room and the family room area are traditional decorations. The family room tree is the Hallmark Ornament Tree with ornaments' from the mid 1980's to present with some family made items. The Formal Dining Room Tree represents the Patriot room with Whitehouse and Texas Capitol ornaments. The ship is The Rattlesnake designed by John Peck and built in Plymouth Mass. and Launched in 1779 as a Privateer. This model was made by Piney-Woods Chapter member Ed Farmer, deceased. It became apart of the US Navy in 1781 but was shortly after captured and renamed. It is known as the ship that delivered the news of the surrender of General Lord Cornwallis to London.

Members and guests began arriving before 11:00 am, bringing dishes of hot and cold foods and placing them on the Kitchen island. Combined with the aroma of Hams in the oven, all were ready to begin lunch.

The Madrigals were on the front walk promptly at 11:30 am and entered singing a Christmas Carole. There were 18 singers and they filled the house with music for over 30 minutes. This was the Madrigals 26th Christmas program at the home of Barbara and Larry Stevens.

Lunch began with a prayer shortly after the Madrigal program. Everyone found a place at a table, carried their places to the kitchen, and returned to their seats to talk to friends.
