

# Texas SAR History Volumes Access

March 21, 2022

**Volume I** contains the early history of the TXSSAR society; the era of The Texas Compatriot Newspaper from 1933 through 1952; activities since 1955 up until 1980; and biographies of Texas Compatriots.

**Volume II** contains more on early history; recipients of awards; activities from 1980 through 2005; Recent History of the Color Guard; a special section covering State presidents during the past 25 years; and abbreviated membership biographies.

Hardbound copies of Volume II are sold out but 2 cases of Volume I are still available from your Texas SAR Historian. Please advise if you know of available copies elsewhere. Your home or public library could use a copy.

I'd like to save shipping costs by arranging for delivery at a state activity.
