LADIES' AUXILIARY TOUR

Friday, April 12, 2024

San Antonio, Texas

Experience the beauty of the King William Streets of San Antonio including a guided tour of the Villa Finale Museum & Garden - \$20 per person

9:00 a.m. Meet in the lobby of the hotel and check in with one of our volunteer drivers and secure your purse as they are not allowed in the museum.

9:30 a.m. Arrive at Villa Finale and start the guided tours. Stairs within the museum are not overly strenuous, but if you have difficulty climbing stairs, there are lots of beautiful things to see on the first floor and in the gardens.

11:15 a.m. Finish the tours of the house and gardens and return to your volunteer driver's car. Depart Villa Finale for the very short drive to Rosario's Restaurant at 722 S. Saint Mary's St. Parking is in the back with limited steps to get to our reserved table in the dining room.

1:00 p.m. Drive through King William area and stop at selected homes to view from the street.

Expect to return to the hotel no later than 2:30 p.m.

Due to the guided tour limitations of Villa Finale, the maximum size of our group has been reached. To be put on the waiting list, contact Jean Kanter or Candy Rudy. If space isn't available, please join us for lunch at Rosarios and then go for the driving tour immediately after lunch.

It is extremely important that we know you are joining us for only the lunch and driving tour by Friday, April 5th for the reservation.

- Tour tickets must be purchased at the time of registration and refunds are not allowed.
- Lunch will be ordered from the full menu and paid by separate checks.
