Introduction of our morning Speaker – Tom Van Fossen

James F. Engler, Sr. Past President,
Maryland State Society

Jim Engler has been a SAR member since 2001. He currently serves as the president and registrar of the Westminster Chapter in Maryland and is a past Maryland State president. He also is Maryland SAR's assistant secretary and the chairman of their Americanism and Patriot Records Committees, as well as the lead for the Maryland Application Data Entry (MADE) project, which has a team of volunteers entering lineage data into the SAR Patriot Research System.

Jim currently chairs the IT Committee's Genealogical Research System Subcommittee. He also serves on the national SAR 250th Committee and on the IT Committee's Digitization and Patriot Records subcommittees. He developed software that provides visualizations of different SAR data, which is the focus of his presentation to the Dallas Chapter.

Why is he here? We are a growing organization at National, State and Chapter but if it's going to be respected, it's gotta be inspected.

There are three things that I want you to concentrate on during this presentation today.

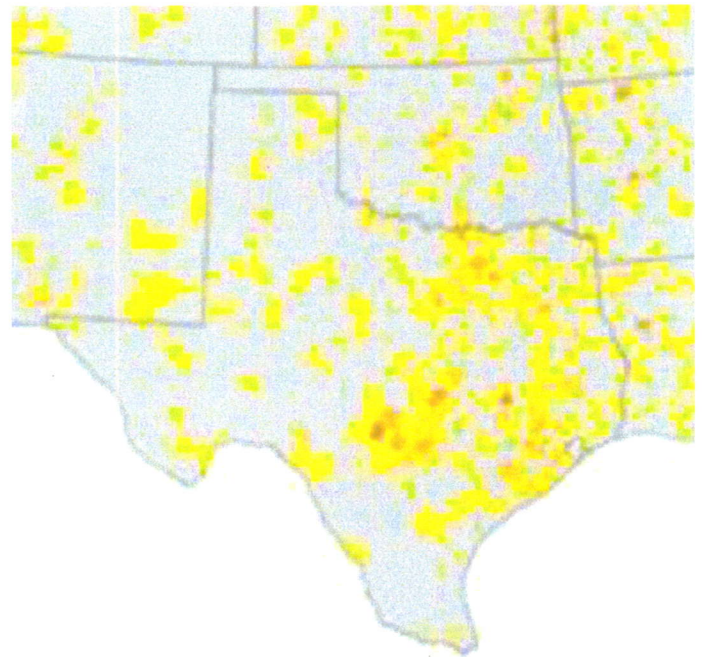

1. Take a look at who we are, and where we've been because that's important.
2. Where we can go and how we can do it.
3. If there's data that can help us become bigger, faster, stronger, Jim can help us do it.

Bottom Line Up Front

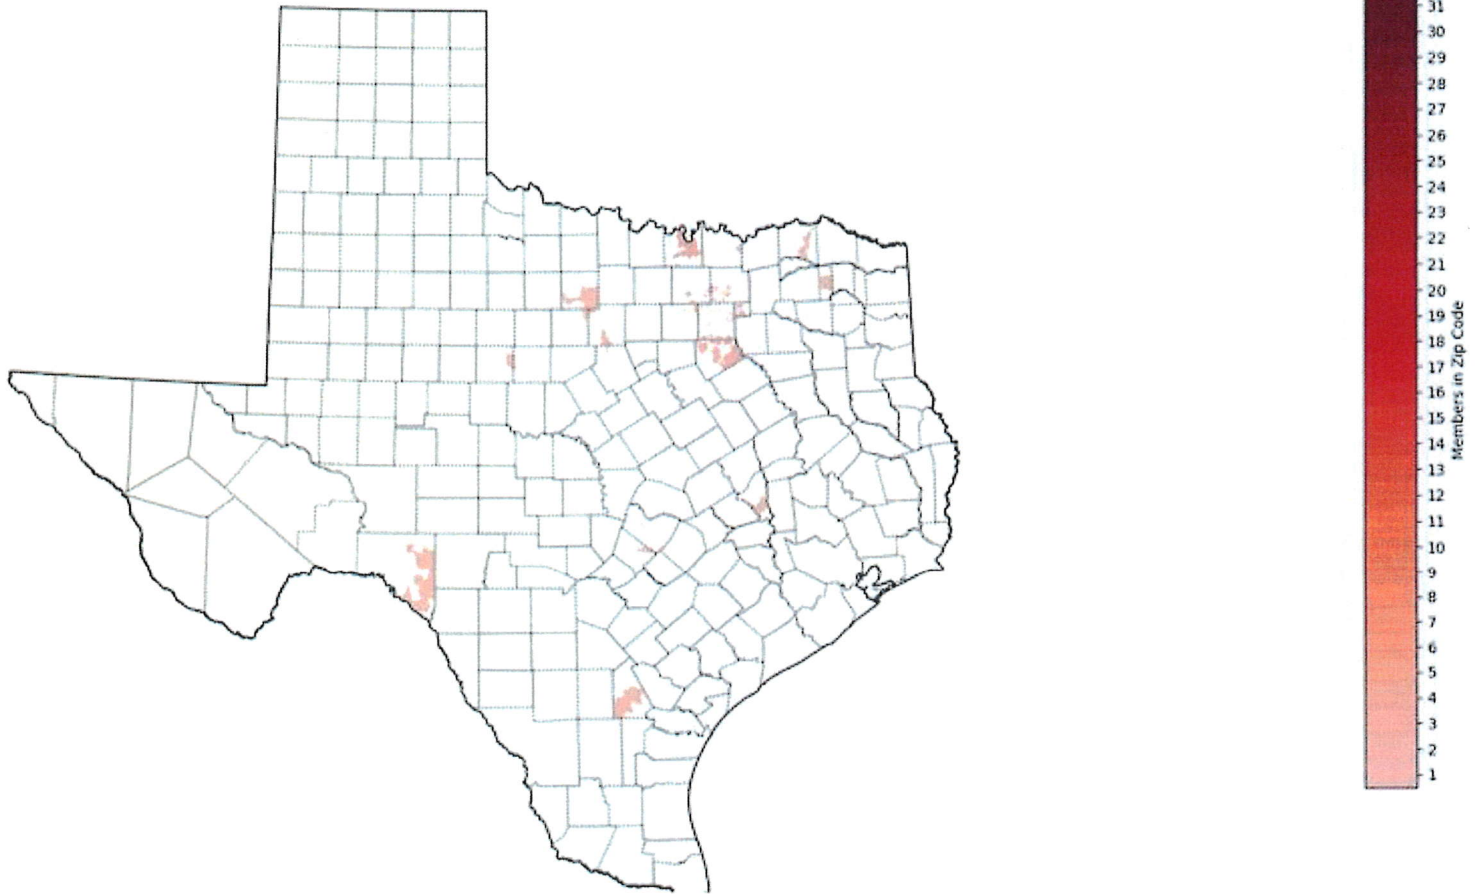

- “You can't improve what you don't measure”
- National SAR Database contains information that can help in that improvement
 - Location, Location, Location:
 - zip codes show distribution and concentrations of membership
 - Ages
 - Shows where there may be future attrition issues that can't be avoided
 - Time in SAR
 - May identify where there are recruitment/retention issues
- Tool developed over several years that provides visualization of information
 - National
 - Shared with General Officers (including VPGs) in August
 - District
 - Shared with VPGs for their own districts in August (allowed comparison with national trends)
 - State & Chapter
 - Shared with state societies their own results since July 2018 on request by state society (about 40% took up offer)
 - Shared with every U.S. based state society their own results in August (allowed comparison with national trends)
 - Shared with VPGs the state societies in their district in August (allowed situational awareness, comparison with national trends)
- Covered in this brief
 - U.S. based societies only (no International Societies included)
 - “In Country” = in a U.S. state or territory covered by USPS (exclude are all overseas/military zip codes)
 - Counts only consider members still active on the rolls (excludes dropped/resigned/deceased)
 - How Visualizations Can Help the Dallas Chapter

Texas has the largest number of SAR members living within its' borders. But, not all of those who are living within the state are members of the Texas Society. They belong to other societies or don't belong to any state society. There are about 6000 members who are not a part of a state society. About 3000 to 3500 of those are living in the state of Texas. There are a lot of different reasons but wouldn't it be great to reach out to those SAR members and invite them to our chapter meeting.

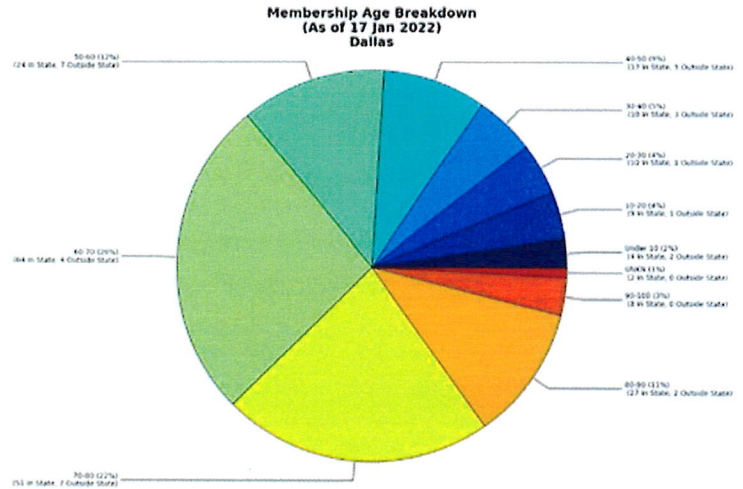

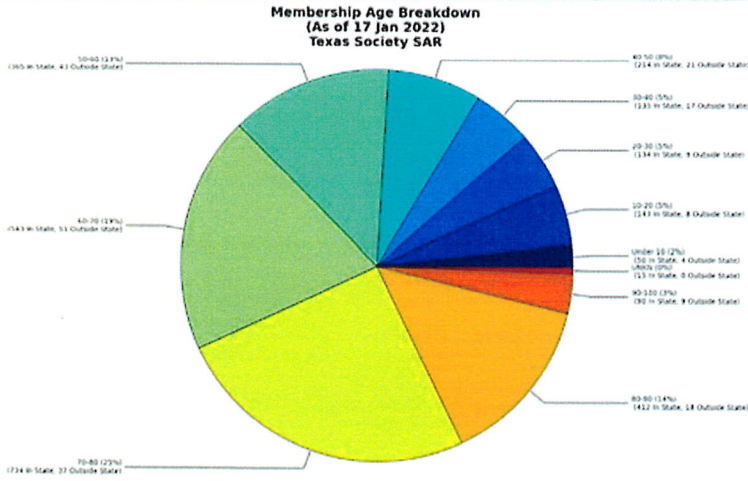

The Dallas Chapter could get a list of SAR members that are not a member of a state society and begin to invite those who live nearby to our Chapter meetings.

**Membership by Zip Code

The Dallas Chapter is staying steady in membership growth and has a good mix between those who have been in the SAR for 15 years or more and those who are younger.

This chart indicates the level of activity in the past. Historically the Dallas Chapter has been as active as the membership numbers. Dallas has been active since the programs began keeping records.

PG Lawrence created the National American History Teachers Essay Contest. Last year there were only 5 competitors in the National American History Teacher Essay contest. We need to boost those numbers as a society.

We have all these programs available but I think it breaks down into two things;

The first is service to the community and second, service to SAR. The Americanism Score Sheet breaks it down into two different kinds of contests. One is the Americanism; it's broken down into smaller parts but still its service to the community. Two, the Service Streamer is service to the SAR. This kind of activity chart shows trends. For example a trends chart showed a drop in membership but the activity stayed strong. This shows that a small group of men are doing all the work. What happens when they leave?

This is why this kind of chart is valuable to plan for a chapter's future. All members must be active in aiding the chapter to be successful in the future.

The Dallas Activity Chart shows a drop in activity in 2017 but there is also a drop in membership as well. Typically your activity has been steady except for the drop in 2017 but both the membership and activity level has been constant. So overall Dallas is doing pretty good job but there are activities where the chapter could improve.

Use the chart to aid in the chapter planning and getting chapter members involved.

Observations –

- This is a snapshot in time. Access required special permissions.
- Locations of concentration raise questions on how to better recruit in lower density areas
- Recruitment – especially of younger members – critical to the continued existence of SAR
- Further analysis of retention needed by looking at entire membership database – active and dropped/resigned/deceased – to see age patterns
- State Societies generally have no access to information on Compatriots living in their state society boundaries who are not members of their state society. Access requires special permission
- Visualizing the data useful for discussions on number of subjects;
 - Where to hold meetings for potentially higher turnout
 - Potential sites for new chapters
 - Health of existing chapters
 - Recruiting/retaining members

Questions –

John Greer: Where do we get a list of members from other states? – It requires a submission from state secretary to National.

Jack Carpenter; What about comparing SAR to DAR? See how well we are doing when compared with others. Has there been any thought of doing something like this with others. - We would need to get permission and see if our systems are compatible. This gives me an idea to get with CAR to see about members.

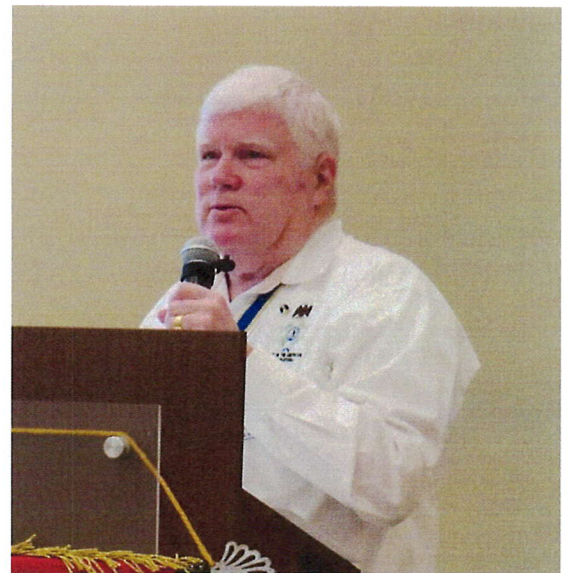

Nick Harper; Have we done any studies as to why members drop their membership? I don't think we have but like I say I'm just beginning to get involved. I don't think there has been any study as to why.

President Mark Harrison

We have our two of our members who are to receive the Patriot Medal. The Patriot Medal is the highest award presented to a Compatriot by a State Society and recognizes long, faithful outstanding, and distinguished service at the state and/o Chapter level. The Committee is comprised of Patriot Medal Recipients from around the state.

Frank Ponders

Tom Van Fossen

Both will have to wear a Tux at the State Convention!

Notable Texas SAR Members

John Greer; we are in the process of getting pictures of all the Patriot Medal Winners. If you have a picture of someone who won the medal please send it to me. Right now I'm at 160 pictures. We need pictures of all the winners.

The 2021-23 Fundraising Project is designated to support the SAR Museum in Louisville. The SAR Museum Committee, under Museum Committee Chair Kent Gregory, started a program to supplement the existing artifact collection with Revolutionary War period artifacts. The program has successfully added some wonderful pieces to the collection. They periodically publish a list of artifacts they have identified as available and others that they wish to have. The Committee has developed very good relationships with collectors and vendors which can assist potential donors. The LATXSSAR has chosen this program as the benefactor of their 2021-23 Fundraising. See below just a few of the donations.

The "tickets" are 1 for \$5 or 5 for \$20. Ask a LATXSSAR member for more information.

Patriot Fund Auction

We need each Texas SAR Chapter to donate at least one Patriotic or High Value item to the Texas SAR Patriot Fund Auction.

Individual members are also asked to donate one item to the Auction if they can. The chapters and members may bring the item to the convention, but we need the information about the item donated and a picture beforehand to promote it!

A WORSHIP SERVICE
CELEBRATING THE LIFE

OF

James Jefferson Johnson Jr.
March 23, 1935 — January 19, 2022

JJJ Jr. (Dad)

Every time I see someone sketching a waiter, my heart flies to memories of you.

Every time I see a child drawing on a church bulletin, my mind rushes to memories of you.

Every time I see someone in colonial dress or breeches, and powdered wig, my soul runs to memories of you.

Any time I see an artist set up an easel, my consciousness is drawn to memories of you.

Any time I see New Orleans in the French Quarter, my eyes overflow with memories of you.

Every time I see someone driving a classic automobile down the road, my brain plays memories of you.

Every time I cut someone's hair, my breath finds memories of you. Each time I explain to someone how to draw a face or anything that is an art lesson, my being flies to memories of you.

Every time I go to the movies, my senses whisk me to memories of you.

Each time I think of Christmas, my thoughts run to memories of you.

Any time I pick up a phone, my fingers fight the urge to call you. Each time I teach a child anything, my essence flies to memories of you.

Any time I observe art, my feelings transport to memories of you.

Sometimes I call your phone just to hear your voice message and remember, since you have gone to God. I guess now you know if God is a massive force. I hope you're with Mom and Beau.

The price of love and time spent together is the emptiness of loss, and the gut-wrenching despair of no more time together.

Sweet dreams, dear prince of men. Vaya con Dios, padre mi amor.

PRAYER OF THANKSGIVING AND LORD'S PRAYER

Our Father in heaven, hallowed be your name, your kingdom come, your will be done, on earth as in heaven. Give us today our daily bread. Forgive us our sins, as we forgive those who sin against us. Save us from the time of trial and deliver us from evil. For the kingdom, the power, and the glory are yours now and forever. Amen.
