Gift Agreement Form

I/we, The Texas Society, Sons of the American Revolution, Inc. ("TXSSAR"), affirm that I/we own the property described on this paper or attached inventory, and unconditionally give, donate and bestow to the University of North Texas Libraries, to be housed in the Rare Book and Texana Collections of the University of North Texas Libraries ("the Rare Book Room") the following items: The archive of TXSSAR, to be known as "The TXSSAR Collection" which includes records, minutes, convention materials, newsletters, application books, scrapbooks, yearbooks, photographs and other material deemed to be historically significant.

I/we understand that the Libraries will add to their collections only those items that are needed to support the teaching, research, and service programs of UNT. Material not added to the collection, or materials the staff of the Libraries later want to remove from the collection, will first be offered to TXSSAR for return by contacting the TXSSAR Historian. TXSSAR assumes responsibility for keeping the Libraries informed of the Current Historian's name, address, telephone number and/or email address. TXSSAR further agrees to bear all expenses that the return of any items to TXSSAR would entail. Access to THE TXSSAR Collection, within the constraints of privacy laws, shall be given to any TXSSAR member at any reasonable time.

I/we further understand that in signing this donation form, we transfer all copyright that we might own for the materials to the University of North Texas. UNT agrees to honor and protect the copyright of any copyrighted materials donated. Proceeds from the sale of any items that TXSSAR does not want returned, after an offer of return has been made, will benefit the programs of the Rare Book and Texana Collections.

I/we understand the Libraries are not permitted by the IRS to give an estimate of the value of gifts. I/we further understand donors are responsible for meeting the requirements of the IRS for any contributions claimed.

I/we would like a letter acknowledging the donation.
