CONSTITUTION
OF
THE TEXAS SOCIETY
SONS OF THE AMERICAN REVOLUTION, INC.

* * *

ARTICLE I - NAME

The name of this Society shall be "TEXAS SOCIETY SONS OF THE AMERICAN REVOLUTION, INC."

ARTICLE II - OBJECTS

The objects of this Society are declared to be patriotic, historical, and educational, and shall include those intended or designed to perpetuate the memory of those who, by their services or sacrifices during the war of the American Revolution, achieved the independence of the American people; to unite and promote fellowship among their descendants; to inspire them and the community at large with a more profound reverence for the principles of the government founded by our forefathers; to encourage historical research in relation to the American Revolution; to acquire and preserve the records of the individual services of the patriots of the war, as well as documents, relics and landmarks; to mark the scenes of the Revolution by appropriate memorials; to celebrate the anniversaries of the prominent events of the war and of the Revolutionary period; to foster true patriotism; to maintain and extend the institutions of American freedom, and to carry out the purposes expressed in the Preamble of the Constitution of our country and the injunctions of Washinton in his farewell address to the American people.

ARTICLE III - MEMBERSHIP

SECTION 1. Any man shall be eligible to membership in this Society who, being of the age of eighteen years or over, and a citizen of good repute in the community, is the lineal descendant of an ancestor who was at all times unfailing in loyalty to, and rendered active service in the cause of American Independence, either as an officer, soldier, seaman, marine, militiaman, or minuteman, in the armed forces of the Continental Congress, or of any one of the several Colonies or States; or as a signer of the Declaration of Independence, or as a member of a Committee of Safety or Correspondence; or as a member of any Continental, Provincial, or Colonial Congress or Legislature; or as a recognized patriot who performed actual service by overt acts of resistance to the authority of Great Britain; provided, however, that no person advocating the overthrow of the Government of the United States by use of force or violence shall be eligible for membership in the Society.

SECTION 2. The acceptance of any eligible man to membership shall be first subject to approval of the National Society, and further subject to approval of the Board of Managers of this Society, or a committee created by the Board of Managers for such purpose, and the Local Chapter to which he is to become a member.

SECTION 3. There shall be two classes of memberships: Active members and life members. There shall be no honorary members.

SECTION 4. An active member is one who is in good standing and not a life member. By good standing as used in this Constitution and in the By-Laws of this Society is meant a member who is current with payment of his dues and who has not been suspended or expelled from the Society.

SECTION 5. An active member of this Society in good standing who has been an active member in good standing for a continuous period of twenty-five years may, upon attaining the age of sixty-five and contingent upon a majority vote of the Board of Managers become a life member.

SECTION 6. Applications for membership shall be made through any Local Chapter.

SECTION 7. The official designation of the members of this Society shall be "Compatriots".

SECTION 8. The Board of Managers may also elect as life members those members who by reason of long length of membership, advanced age, impaired physical or mental condition, or impaired ability to pay dues, or any combination of such factors, are deemed by the Board of Managers to merit such consideration.

ARTICLE IV - DISTRICTS

The State of Texas shall be subdivided into seven Districts, to be designated as follows: (1) West Texas, (2) North Texas, (3) Southwest Texas, (4) Central Texas, (5) North Central Texas, (6) Northeast Texas, and (7) Southeast Texas. The more specific boundaries of the respective Districts shall be in accordance with the By-Laws and the official map adopted in conformity therewith, EXCEPT that Walker County is assigned to the Central Texas District No. 4, and Angelina County is assigned to the Northeast District No. 6.

ARTICLE V - OFFICERS

SECTION 1. The officers of this Society shall be a President, Senior Vice President, seven Vice Presidents, Secretary, Treasurer, Registrar, Historian, Genealogist, Chancellor, Chaplain and an Organizing Secretary, whose duties shall be those as shall be prescribed by the By-Laws. They shall be elected by a majority vote of the delegates present at the annual meeting of the Society, shall hold office for one year and until their successors are elected and qualified. The office of Secretary and Treasurer may be held by the same person. The office of Chancellor may be held by any other officer except the President.

SECTION 2. At each annual meeting of the State Society there shall be elected seven Vice Presidents each to be designated as a "District Vice President", except as otherwise specifically prescribed by Section 1 of Article VI of the By-Laws of the State Society.

SECTION 3. All nominations of officers shall be made from the floor. Nominations made by a committee for such purpose shall be considered nominations from the floor.

SECTION 4. Members of the State Society who hold membership in a Local Chapter in the District in which the annual meeting of the State Society is being held, by that fact shall

be ineligible for nomination and/or election to the office of President of the State Society.

ARTICLE VI - BOARD OF MANAGERS

SECTION 1. The officers named in Article V, Section 1, of this Constitution upon their election and installation; during their respective term of office, the immediate Past President, the duly elected and acting National Trustee and those members in good standing who have been Presidents of this State Society, and all present and past General Officers of the National Society who during such term of National Society office were and now are members of this State Society, shall comprise the Board of Managers of this Society. They shall receive such compensation for the performance of such service and expense, as provided in the By-Laws.

SECTION 2. The Board of Managers shall have such power and authority as conferred by this Constitution and the By-Laws of this Society.

SECTION 3. The Board of Managers shall have power to act by the use of a mail, telegram, telephone, or telephone conference ballot in lieu of a Board Meeting. The State Secretary, upon written or verbal request of the President, shall cause a mail, telegram or telephone vote to be taken, or conduct a telephone conference, on any business that may be transacted by the Board at any meeting, unless specifically herein otherwise provided. The President may personally call and conduct such ballot if he so desires. If the President shall be unavailable, disabled, or shall refuse to call such a ballot, the Secretary shall call such a ballot upon the verbal or written request of any seven members of the Board, or any such seven members of the Board, upon an agreement between them may personally call such a ballot. Not less than seven of the then existing membership of the Board shall be required to vote upon any question presented by the use of a mail, telephone, telegram, or telephone conference ballot, and shall constitute a quorum therefor, and an affirmative vote of a majority of those voting shall be necessary for adoption. No prior notice of such ballot shall be required. The results of such balloting and voting shall be given to all members of the Board of Managers and such shall be and become a part of the minutes of the next succeeding meeting. No such method of balloting will be permitted as to Article VIII, Sections 5 and 6.

ARTICLE VII - MEETINGS

SECTION 1. The annual meeting of this Society shall be held each year not less than sixty days prior to the Annual Congress of the National Society, for the election of officers and for the transaction of other business brought before it, including the nomination of a National Trustee.

SECTION 2. Special meetings may be called by the President, and shall be called by him when so directed by a majority of the Board of Managers or when so requested by at least six Local Chapters of this Society, or giving thirty days notice to the Presidents of the Local Chapters, specifying the time and place of such meeting and the business to be transacted.

ARTICLE - VIII - LOCAL CHAPTERS

SECTION 1. Local Chapters now organized shall continue their existence, but subject to this Constitution and the By-Laws of this Society.

SECTION 2. One or more Local Chapters of this Society may be organized or re-activated at any time or times in any city, town or village of this State upon the written application of not less than six members of the Society in good standing or not less than six persons eligible for membership in the Society and after due notification to the District Vice President by the State Secretary, and upon the approval of a majority of the Board of Managers. The petition will be addressed to the State Secretary. Provided, however, that the full amount of the dues for the current year must accompany the petition, and, if any of those signing the petition are not members of the Society, approval of the Board of Managers shall be withheld until their membership is duly passed upon and granted.

SECTION 3. Local Chapters may adopt a Constitution and By-Laws, and provide for the change and amendment thereof, but they shall be subject to the Constitution and By-Laws of this Society, and any conflict shall render such conflicting provision or provisions void.

SECTION 4. Local Chapters shall hold an annual meeting not less than thirty days prior to the annual meeting of this Society, for the election of officers and the transaction of business. The names and addresses of the officers elected shall be immediately forwarded to the State Secretary.

SECTION 5. Any Local Chapter may surrender its charter to this Society. The charter of a Local Chapter may be forfeited or revoked by the Board of Managers of this Society for good and sufficient cause if three-fourths of those members of the Board present vote in the affirmative, a majority of those comprising the Board being present. If a charter be forfeited or revoked by the Board of Managers, the Local Chapter involved may appeal such action of the Board to the next annual meeting of this Society. The By-Laws of this Society may prescribe procedures for forfeiting or revoking a charter of a Local Chapter not inconsistent herewith.

SECTION 6. If any local Chapter becomes defunct by surrender, forfeiture or revocation of its charter, the Board of Managers of this Society, acting as trustee, shall take over the real and personal property owned or held by such Local Chapter at such time as it becomes defunct and such property shall be disposed of in such manner as shall be prescribed by any annual meeting of this Society.

Any changes voted by the meeting shall be incorporated therein upon final adoption. A two-third vote of the delegates present shall be required for adoption.

ARTICLE XII – EFFECTIVE DATE

Any application for membership containing references to persons born on or after January 1, 1930, shall not be considered unless accompanied by an affidavit of the applicant to the effect that the line of decent upon which the applicant relies is entirely by blood and includes no relationship created by adoption or otherwise. However, if there is no Local Chapter within a radius of one hundred miles of the residence of the applicant, the application may be made direct to the State Secretary.

SECTION 2. An applicant for membership must be endorsed by two members in good standing and he shall make oath that the statements in his application are true to the best of his knowledge and belief. If the application is approved by the Local Chapter, it shall then be forwarded to the State Secretary, together with the admission or registration fee. The State Secretary shall in time examine the claims of the applicant for eligibility and forward the same to the Registrar General of the National Society. No applicant shall be admitted to membership until the Registrar General of the National Society approves such application.

SECTION 3. Each member shall be entitled to receive a Certificate of Membership from the National Society duly attested by the President General and Secretary General. Such Certificate of Membership shall be countersigned by the President and Secretary of this society.

SECTION 2. Each Local Chapter shall regulate all matters pertaining to its membership and affairs, subject to the provisions of the Constitution and By-Laws of the National Society and of this Society.

SECTION 3. Whenever any Local Chapter shall become defunct by surrender, forfeiture, or revocation of its Charter, any member thereof may, upon application made within one year after such Local Chapter so becomes defunct, if the applicant was at the time of the surrender, or loss, of said Charter, a member in good standing of such Local Chapter, be admitted to any other Local Chapter without payment of any initiation fee; subject, however, to acceptance of such applicant in due form by the Local Chapter to which application is made.

ARTICLE VI - VICE PRESIDENTS

If any Local Chapter becomes defunct or its Charter is forfeited the Board of Managers shall take over as Trustee all real and personal property belonging to such Local Chapter and same shall be disposed of as prescribed by any annual or special meeting of this Society.

SECTION 2. The Board of Managers shall have charge of and manage the business and affairs of this Society and perform such other duties as may be committed to it by any annual or special meeting of this Society. However, the Board of Managers shall not have power to sell, encumber, or in any manner dispose of any real estate belonging to the State Society, or incur any liability other than for ordinary current expenses, unless authorized by an annual or special meeting of this Society, or by an affirmative vote of not less than three-fourths of the members of the Board of Managers.

SECTION 3. The Board of Managers may in its discretion allocate reasonable sums of money for the purpose of carrying out the program of any committee or committees of this Society; and, the allocation of any such money shall be considered as "ordinary current expenses".

SECTION 4. The Board shall have the power to admit or reorganize as a Local Chapter any association of six persons duly qualified for membership in this Society. Such Local Chapters shall be admitted, or reorganized, and shall always exist under Charters from this Society, which may be granted, and which may be revoked, altered or amended, by the Board, subject to appeal to the next annual meeting of this Society.

SECTION 5. The President may call meetings of the Board of Managers at any time he may deem necessary, and shall call such meetings upon the written request of any seven members thereof. However, for any meeting, other than such as may be called during the session or immediately upon the adjournment of an annual meeting of this Society, not less than ten days' notice of the time and place of such meeting shall be given.

SECTION 6. The Board of Managers shall designate the places where all annual meetings of this Society and special meetings of this Society are to be held, unless an annual meeting of this Society designates the place of the next annual meeting; but, the time for holding of same shall in any event be designated by the Board. If no invitation is extended at an annual meeting to convene in a given town, then the following annual meeting shall be held at or near the town in which the President resides.

SECTION 7. The Board shall have the authority to discipline or to expell any member who by conduct disloyal to the ideals or prejudicial to the interest of the Sons of the American Revolution, shall render himself unworthy of membership therein; provided the accused shall have had due notice and an opportunity to be heard. Any member who feels himself agrieved by the action of the Board acting under this power shall have the right to appeal to the next succeeding annual meeting.

SECTION 8. In the event of the death or disability of any officer of this Society, the Board shall have the power to elect a successor to fill the unexpired term of office.

SECTION 9. The Board shall perform such other and further duties as may be conferred upon it by an annual or special meeting of this Society. However, the duties so conferred shall be ineffective if in conflict with the duties conferred by the Constitution or these By-Laws.

SECTION 10. The Board of Managers, upon presenting an itemized expense account within ten days after a Board of Managers meeting, or after any other authorized Society business, shall be allowed expenses incurred, provided these do not exceed the sum of \$25.00. This expense payment does not apply to Board meetings during or immediately prior to a State Convention.

ARTICLE XIII – OTHER COMMITTEES

SECTION 1. The President shall appoint the following committees: Auditing, Credentials, Resolutions, Nominations, and such other committees as he may deem necessary or that may be authorized by any annual or special meeting of this Society or by the Board of Managers.

SECTION 2. The duties of all such committees shall be such as usually pertain to committees of like character.

SECTION 3. Resolutions shall, so far as possible, first be submitted to and passed by the Local Chapter, and, in turn, sent to the State Secretary, who shall cause the same to be reproduced in sufficient copies and made available to the annual meeting for study by members of the Resolutions Committee.

SECTION 4. The acceptance of a Committee report, whether by the Board of Managers or by delegates at an annual meeting of the State Society, shall constitute nothing more than acceptance of the work done by the officer or committee and permission to file same with the Secretary of the State Society. In order for such report or any portion thereof to constitute an act of the Board of Managers or of the State Society, the particular action desired to be taken shall be presented in the form of a resolution or other proper motion and dealt with in accordance with accepted parliamentary procedure; otherwise the same shall constitute neither a resolution nor an expression of policy. Provided that resolutions adopted at any meeting of the State Society shall constitute and be a part of the policy of the Society and shall so remain unless and until expressly repealed.

ARTICLE XIV – FEES AND DUES

SECTION 1. Except as otherwise specifically provided herein, the initiation fee for membership in this Society shall be \$27.50, which must accompany the application.

SECTION 2. Such initiation fee shall be distributed by the State Treasurer as follows: Retained by this Society, \$5.00; remitted to Local Chapter in which applicant holds membership, \$5.00; transmitted to the National Society as the initiation fee, \$15.00; and, further transmitted to the National Society as the per-capita assessment, \$2.50.

SECTION 3. The annual dues to the State Society are \$15.50, payable direct to the State Treasurer. Such dues shall be distributed as follows: Retained by the State Society, \$4.50; to the Local Chapter in which the member so paying holds membership, \$5.00; and, to the National Society, \$6.00.

SECTION 4. The annual dues shall be payable on or before the last day of December of each year. Notice of such dues shall be given by the State Treasurer to each member on or before November 1st of each year. Any member who fails to pay such dues on or before the last day of December of each year shall be deemed to be delinquent, and unless such dues are paid on or before the first day of April of the next succeeding year may again become an active member of this Society only by reinstatement as elsewhere prescribed by the By-Laws.

- B. The State Treasurer shall remit to the National Society the national portion of the dues collected from members of this State Society.

SECTION 6. Local Chapters of this Society may require the payment of additional dues for membership in the Local Chapters. In such event, all such dues shall be collected by the designated authority of each Local Chapter and shall not be the responsibility of this Society or its Treasurer.

However, such application shall be accompanied by the annual dues of this Society for the current year and the additional sum of \$2.00 for his Certificate of Membership. Exemption from the payment of an initiation fee shall not be construed to mean exemption from the payment of one full year's dues with each application for membership, plus the then current charge of

the National Society for the issuance of a Certificate of Membership, — but said dues and charge shall be required, — and such exemption as so construed, shall also extend to and include a grandson or a nephew of a member in good standing of one of said organizations mentioned in this Section.

SECTION 9. A fee of \$15.00 shall accompany each supplemental claim to establish additional ancestral line of eligibility.

SECTION 10. A member who is delinquent in the payment of his dues shall not be entitled to any of the privileges of a member of this Society or any Local Chapter. If any member is holding an office or the member of a committee at the time he becomes delinquent in the payment of his dues he shall be automatically dropped from such office or committee.

SECTION 11. A member who is delinquent in the payment of his dues may again become an active member of this Society by payment to the State Treasurer of such annual dues for the current year and payment of \$6.00 as reinstatement fee.

SECTION 12. In the event of any changes in the dues or other charges by the National Society they shall be automatically adopted as part of these By-Laws without the necessity of any amendment thereto.

SECTION 13. As to all applications for membership approved by the National Society within the last three months of a calendar year, dues for the following year will be considered as paid. The applicant will receive his membership card showing that his dues are so paid for the following year.
