DEDICATION

The 1982 Roster of the Texas Society of the Sons of the American Revolution is dedicated to three outstanding patriots from Texas who have served the National Society as President General.

Judge Benjamin Harrison Powell III, NSSAR 56782, TSSAR 518, was the first President General from the Texas Society. Compatriot Powell was a member of the Patrick Henry Chapter, Austin, of which he was a past president. He was president of the Texas Society in 1942. Subsequently he was Vice President General of the South Mississippi District for two years, Chancellor General of the National Society for three years and a member of the Executive Committee of the National Society for three years.

The incumbent President General died suddenly on December 2, 1948 and at a meeting of the Executive Committee on December 9, 1948, Compatriot Benjamin Harrison Powell III was elected to serve the National Society as President General for the unexpired term ending June 1949. For his outstanding services to the National Society, Compatriot Powell received the Minuteman Award in 1952. Compatriot Powell continued his active interest in the SAR until his death in 1960. He is buried in the Oakwood Cemetery, Huntsville, Texas.

Robert Leon Sonfield, Sr., NSSAR 29478, TSSAR 162, was elected President General of the National Society at the 73rd Annual Congress in 1963. Compatriot Sonfield was a member of the Paul Carrington Chapter, Houston, Texas, of which he was president before being elected president of the Texas Society in 1960.

Compatriot Sonfield was very involved in the activities of the National Society. He was a member of the Executive Committee for several years, and he also served as Chancellor General. He was a member of the Society for more than fifty years and did outstanding service for the Society during all of those years. In recognition of his many services to both the National Society and the Texas Society, Compatriot Sonfield received the Minuteman Award in 1965, the Patriot Medal, the Gold Good Citizenship Medal, and the Silver Good Citizenship Medal. Compatriot Sonfield died in 1972 and is buried in Forest Park-Lawndale Cemetery, Houston, Texas.

Walter Gage Sterling, NSSAR 78555, TSSAR 1092, has been involved in the affairs of both the National Society and the Texas Society for many years. Compatriot Sterling was president of the Paul Carrington Chapter, Houston, 1957-1958 and a member of the Board of Directors of the Paul Carrington Chapter 1958-1966. He was a Charter member of the Houston Chapter in 1966. He was president of the Texas Society 1964-1965.

Compatriot Sterling was a delegate to the National Congress in 1958 and he has attended on a regular basis ever since. He was a member of the Executive Committee of the National Society 1959-1960; 1963-1964; and 1965-1966. He has been a member of many other National Committees. He was Vice-President General of the South Mississippi District 1961-1964. Compatriot Sterling was elected President General at the 78th Annual Congress in June 1968 at Williamsburg, Virginia.

For his many outstanding services to the Society, Compatriot Sterling received the Minuteman Award in 1965, the Patriot Medal and the Gold Good Citizenship Medal. Compatriot Sterling lives in Houston and he still participates in the activities of the Society.

The Texas Society sponsors two national contests in honor of Past President General Walter G. Sterling and Past President General Robert L. Sonfield. The Walter G. Sterling Award is given annually to the State Society which enrolls the largest number of new members transferred from the CAR, and the Robert L. Sonfield Award is presented to the State Society with the largest numerical increase of members at the end of the year.

Others who have made significant contributions over the years to the success of the National Society are those who have received the Minuteman Award, the highest honor that can be bestowed by the National Society upon a member. There have been only nine members of the Texas Society who have received this coveted award from the National Society since its inception in 1952. Compatriot Benjamin Harrison Powell III was the first of all SAR members to receive this award which was presented to him in a ceremony at the San Jacinto Inn near the historic San Jacinto Battlefield.

The members of the Texas Society are very proud of these distinguished compatriots.

To each of the many hundreds of members of the Texas Society, our thanks to you for your support. Your individual contribution is essential to the superb performance of the Texas Society. You do your share when you attend Chapter meetings, and you do the Society a great service when you sponsor a new member. Your display of patriotism and loyalty to the Society and to our great country is a source of inspiration to those who are elected to the various offices of leadership. All of the leaders of this great Society originate with an invitation to become a part of a great organization and to serve it well in his own individual way.

Today, our membership is at an all time high. This roster contains 1,487 very important names, including your name. Since the inception of the Texas Society in 1896, a total of 4,799 individuals have been a member. Your name is the most impressive name in this roster. We pray that it will remain there as long as you live.
